ABOUT THE SHOW...

The Banks Peninsula A&P Show is the main show for the Banks Peninsula area, and therefore draws a large crowd from both the city and surrounding country areas. Each year we draw over 3000 people to the show.

The main objective of the Association is to bring Town and Country together one day a year to enjoy country hospitality and to promote agricultural and pastoral excellence in all areas.

The 2021 Annual Show received over 1500 entries, increased trade exhibits and art and craft stalls. Food, drink, and entertainment has a strong demand with limited sites available.

The Show continually grows year on year.
